did you ever just want to read a book about the christian life that would explain how it would express itself in the life of believers the christian life series is comprised of three books that are separated according to themes to show believers what the christian life is all about and how it will express itself the first book what matter is this deals with the matters that establish the foundation of the christian faith such as salvation love grace faith and holiness the second book the challenge of it addresses that which challenges this incredible walk by establishing that it is a matter of knowing god properly investing in a relationship with him accepting his invitation disciplining attractions and letting go of the past the final book the reality of it reveals how the christian life will express itself in our walk it unveils the spiritual man defines what it means to be a disciple and what it entails to walk in the light in order to adhere to what we have been predestined to fulfill this is a book that every serious minded follower of jesus will not only want to read and study but to meditate on in order to gain the nuggets of truth that have been interwoven into each presentation

the proper study of mankind said alexander pope is man an apt summary of the spirit of his age of rationalism all of christian tradition protests against this mockery of the true state of things divine revelation contradicts it outright a just philosophy recoils from so limited an approach to reality that distilled wisdom of catholicism which is theology knows one subject and one subject only god but theology first considers god as he is the cause of all things and their exemplar in this vision it considers all of reality which is more true in divine thought than when seen directly in itself now the theologian turns to study god as he is the end and perfecting goal of creatures in their return to him from whom they first came forth in particular he will study the creature who alone holds the reins of his own conduct man from the introduction this edition is a scanned facsimile of the original edition published in 1959 by priory press

while the most standard treatments of john wesley's theology focus their attention on his distinctive way of salvation they fail to provide a thorough examination of wesley's means of grace this book offers the first detailed discussion of the means of grace as the liturgical communal

and devotional context within which growth in the christian life actually occurred knight shows how the means of grace together form an interrelated pattern that enables a growing relationship with god

if you find yourself unsettled with christianity as usual if you want practical steps on how to know christ in a fresh new way then the secret to the christian life is for you you ll also want to look for the highest life the companion volume in edwards s introduction to the deeper christian life from book back cover
